

**BIOGRAPHICAL STATEMENT
of Jean H. Campbell**

(Submitted with Application for appointment to Bankruptcy Mediation Panel, U.S. Bankruptcy Court, E.D. Washington, June 12, 2000)

I am a sole practitioner in Pullman, Washington. I obtained my B.A. (Biological Sciences) from UC Davis in 1970 and my J. D. from the University of Idaho (cum laude) in 1982. I have practiced law in Washington since 1982 and in Idaho since 1993. I practice mainly in the commercial law, creditor-debtor, estate planning and bankruptcy areas.

I am past president of the Whitman County Bar Association. I served on the Creditor-Debtor Executive Committee from 1996 to 1999, and I organized joint continuing legal education seminars for Whitman County, Asotin County, Nez Perce County (Idaho) and Latah County (Idaho) with proceeds benefiting low income legal representation projects in Idaho and Washington. A list of the articles I have written is included on my application for appointment to the Bankruptcy Mediation Panel. I have co-chaired continuing legal education seminars as part of my work for the Creditor-Debtor Section, and have spoken on several continuing legal education topics at Bankruptcy-related seminars.

The bulk of my bankruptcy experience is in regard to matters under Chapter 7 and Chapter 13, and is mainly consumer-oriented. I have been involved (representing mostly creditors) in some Chapter 12 cases, and have represented creditors in cases under Chapter 7 and Chapter 13. Among the issues I have litigated in the Bankruptcy Courts are: lift-stay motions, tax issues, adversary proceedings regarding student loan and credit card dischargeability, Chapter 13 confirmation issues, exemption disputes, divorce-related discharge issues, fraudulent transfer issues, and a bankruptcy fraud case representing a Chapter 7 Trustee.
